Contracts of EUR 30,000 or above (turnover tax excluded) require the contracting authority to obtain information about the tenderer to be selected in the contract award procedure from the Central Trade and Industry Register according to Section 150a of the Industrial Code and additionally, as from 1 June 2022, to consult the Competition Register in accordance with Section 6 of the German Competition Register Act (WRegG). In the case of contracts of EUR 30,000 or above (turnover tax excluded), the above details are used to request registration information from the competent authorities.

When contracts of EUR 30,000 or above (turnover tax excluded) are to be awarded to a tendering consortium, the register must be consulted for each member of the consortium.
